Behind every Christmas tradition is a story — usually, a forgotten one. Each year, as we decorate a tree, build a gingerbread house, and get ready for a visit from St. Nicholas, we're continuing generations-old narratives, while being largely unaware of their starting chapters.

But knowing how these traditions began adds a new level of depth to our Christmas spirit, as well as an arsenal of anecdotes to share at Christmas parties. Christmas Past: The Fascinating Stories Behind Our Favorite Holiday's Traditions reveals the surprising, quirky, mysterious, and sometimes horrifying stories behind the most wonderful time of the year. With 26 short chapters, it's a festive, digestible Advent calendar of a book.
